

The 9th East China Partial Differential Equations Conference & Shanxi International Conference on Partial Differential Equations

(First Announcement)

Shanxi University, Taiyuan, Shanxi, China

July 16–19, 2012

Aim of the conference: The 9th East China Partial Differential Equations Conference & Shanxi International Conference on Partial Differential Equations, is to be held at Taiyuan, Shanxi, China, from July 16th to July 19th of 2012. This conference is jointly organized by the School of Mathematical Sciences of Shanxi University (Shanxi, Taiyuan), the Department of Mathematics and the Center for PDE of East China Normal University (Shanghai). It is our goal to increase the academic exchanges and interactions in PDE research in China, and also to showcase the state of art in PDE research to the young researchers especially in Shanxi.

Registration: If you plan to participate this conference, please send us an e-mail by June 1st, 2012 to the organizing committee via email 2012shanximath@gmail.com and containing your name, affiliation, postal address, e-mail address, travel schedule and additional information and comments.
